

Project Points

OCTOBER 2009

The Department of Watershed Management is working on the design and construction of a number of water and sewer infrastructure improvement projects in neighborhoods throughout Atlanta. Here are this month's updates on our active projects:

ATL READ Automated Meter Reading

AMR installation will continue on a meter route/billing cycle basis throughout the City of Atlanta and Fulton County through the end of the year.

Valves & Hydrants Assessment, Testing and Survey Program

Crews are testing valves and hydrants throughout the City of Atlanta and in South Fulton County.

South River Tunnel

NPU: Z *Council District: 1*
Contractor crews are performing blasting operations for new sewer tunnel near Macon Drive.

Sewer System Evaluation Survey (SSES) – Sewer Group 4

North Area

NPU: B *Council District: 7*
SSES work will take place on Lenox Rd, Lenox Pkwy, and Piedmont Rd, resulting in single lane closures. Work will also take place on Town Common Cir NE, Park Cir NE, and Highland Dr NE.

Central Area

NPU: E *Council District: 2*
Sewer evaluation work will begin near the Georgia Tech campus.

SSES – Sewer Groups 5 & 6

Central Area

NPU: E, M & N *Council District: 2 & 6*
SSES work is scheduled for the Old 4th Ward, Downtown, Poncey-Highland, Loring Heights, Brookwood and Ardmore neighborhoods. Major streets affected are North Ave, Ponce de Leon, Peachtree St NW, Williams St NW, Techwood Dr NW, Spring St NW and International Blvd.

Sewer Group 1 Rehabilitation

North Area

NPU: G, H, J, O, & Z
